

Lori Kaiser
Founder and CEO, Kaiser Consulting

Lori Kaiser is Founder and Chief Executive of Kaiser Consulting, a multi-million-dollar accounting and finance consulting firm who utilizes keen analysis, insights and team approach to drive organization improvements and implementation of best practices. As an accomplished accounting and finance executive with a proven track record in projects and problem solving for all types of organizations, Lori has vast experience resolving multiple and complex (sales, human resources, financial and operational) issues and motivating staff to peak performance. She has worked with major corporate clients including, but not limited to, Honda of America Mfg., Inc., Limited Brands, Mount Carmel, American Chemical Society, Cardinal Health, Worthington Industries, Inc., and Bath & Body Works. Lori's strength lies in mentoring young business owners and helping them to understand the key financial and non-financial drivers of their businesses and how these impact their financial statements and financial performance.

Lori is a graduate of the University of Chicago with a Master of Business Administration, with Honors, Miami University with a Bachelor of Science in Accountancy, Cum Laude, is a Certified Public Accountant, and a Charter Global Management Accountant.
